JENDERAM: R.A.F. STATEMENT

The R.A.F. said last night that it has no knowledge of any proposal to destroy the evacuated village of Jenderam, in South Selangor, using its aircraft.

The statement was issued in reply to a report in a Singapore Sunday newspaper that the village was to be destroyed from the air within the next few days.

"Neither the Army nor the Air Force is aware of any proposal to use the services to destroy the village", an R.A.F. spokesman said.

Jenderam was cleared of its inhabitants a few days ago, when they were evacuated to other areas for screening and eventual resettlement. It is alleged that the village has been a hot bed of bandit helpers and sympathisers.
