THE R.A.F. said last night that it had no knowledge of any proposal to use its aircraft to destroy the evacuated village of Jenderam, in south Selangor.

The statement was issued in reply to a report that the village was to be destroyed from the air within the next few days.

"Neither the Army nor the R.A.F. is aware of any proposal to use the Services to destroy the village," an R.A.F. spokesman said.
