KUALA LUMPUR, Wed.
THE Malay Detainees Welfare Committee last night decided to appoint a four-man sub-committee, headed by Inche Patch Akhir, to consider claims for compensation submitted by former inhabitants of Jenderam, Selangor, who were detained in 1951.

The claims concern loss of property resulting from the clearance of the village.

The claimants have submitted details to the committee with a request that the claims be submitted to the Selangor Government for payment.

The claimants, the committee said, were not satisfied with present Government policy of paying only about ten per cent or less of the total value of their property as compensation.

The committee has been told by Selangor's Mentri Besar, Raja Uda bin Raja Muhammad, that Government is planning to rehabilitate Jenderam detainees in a new village near their former holdings and to give them adequate protection.
